Non-Profit *services*

WE COMBINE OUR **PASSION FOR SERVICE** WITH YOUR **MISSION TO SERVE.**

Making a difference is not only an expression for nonprofit agencies, but also one that Carlson Highland & Co., LLP embraces. As nonprofit auditing, compliance and tax planning experts, we understand there is more to business than just the bottom line—it's about helping people and improving communities.

Carlson Highland & Co, LLP professionals have worked with a diverse mix of non-profit organizations by providing auditing, compliance and tax services. Our approach to client relationships is simple; we act as a key resource to **GIVE** our clients the power to succeed and to accomplish their mission statements. We focus on your needs so you can concentrate on making a difference.

We are committed to supporting the causes of nonprofits by employing a team of professionals who specialize in the not-for-profit industry. This dedicated group within the firm receives both not-for-profit continuing professional education (CPE), as well as governmental CPE, to stay up to date with changing standards.

Close partner involvement on engagements is designed to **GIVE** our clients the highest level of professional service. Our professionals focus on relationships and service, which is the reason why we tend to retain our clients for many years.

Many organizations generate enough revenue to require an annual 990 tax return. We spend time with you on tax planning issues that are unique to nonprofit agencies.

Our nonprofit professionals have expertise in working with agencies such as affordable housing communities, civic groups, community based residential facilities, community foundations, educational organizations, habitat for humanity organizations, house shelters, religious organizations and other voluntary health and welfare organizations.

The range of services we provide for nonprofits includes:

- Audits
- Reviews
- Compilations
- Single audits
- Form 990, 990-N, 990-T information returns
- Retirement plan audits
- Educating board members on their fiduciary responsibilities

Please contact Margo A. Rosen, CPA or Dirk A. Prindle, CPA for your complimentary proposal for audit, review, compilation or tax services.
